Dear Administrator and/or Career/Guidance Counselor:

Re: Scholarship Opportunity

In 1982, Gamma Xi Chapter established the James Dixon and Calvin Sears Memorial Scholarship to honor the contributions of two men who epitomized the very principles that guide us—Manhood, Scholarship, Perseverance, and Uplift. The scholarship is awarded annually in memory of both men to provide financial assistance to college bound high school students.

The men of Gamma Xi Chapter of The Omega Psi Phi Fraternity, Inc. are requesting your help in providing an opportunity for African American male students, in their senior year, who plan to attend an accredited two- or four-year college or university, who are residents of Virginia Beach, VA. It is our belief that students who complete high school in the upper (3.0 – 4.0 or 4.0 – 5.0) academic range are more likely to qualify for scholarships offered by mainstream entities. We hope to assist those students who have potential to succeed at higher education but because their grades didn't reflect performance at the highest levels of academic achievement might "slip through the cracks" and not be afforded an opportunity to attend these institutions. Therefore, you will note that an additional requirement is the applicant must have a cumulative g.p.a. of 2.2 – 3.0.

I have attached an application package that would allow qualified members of your high school an opportunity to compete for a scholarship. **It is a one-time award ranging from \$500 to \$1000 to help defray the cost of attending an accredited institution of higher education.**

The completed application package must be postmarked no later than April 18, 2010. I look forward to seeing applicants from your high school compete for this award.

If you have any questions or concerns, I may be reached via email at twan694@aol.com or (757) 729-0145.

Yours Truly,

Antoine L. Hickman
Scholarship Committee Chairman
