

The Golden Fold Movement

The **Golden Fold** is an organization oriented toward helping young men of middle and high school age to grow and develop their character and their leadership skills. It provides both challenging and rewarding experiences which could richly enhance their lives. It is the purpose of the Gamma Xi Alumni Chapter of Omega Psi Phi Fraternity, Inc. to help these young men to achieve worthy goals for themselves and to make constructive contribution to their community.

Through partnership with local universities, high schools, and committed mentors from the community, our goal is to provide needed mentorship, training, and resources to youth in the Hampton Roads area.

Our young leaders will develop and participate in a variety of local projects which will enable them to develop important team-building, leadership, character-building, critical thinking, and problem-solving skills. Activities such as community service and scholarship are important elements in building a well-rounded leader.

Golden Fold activities and training are modeled around the following three (3) tenets:

- ✓ Bond – Self Awareness; Social interaction; Manhood
- ✓ Assist - Academic and Career Readiness; Scholarship; Health Education;
- ✓ Build – Social Awareness; Cultural Awareness, Leadership; Perseverance; Community Service

The motto of Omega Psi Phi Fraternity, Inc. is “Friendship is essential to the soul” and it is the fraternity’s goal to prepare and develop our young leaders of today for 21st century problems with 21st century solutions.
